

MUHAMMAD AHMED FRAZ

SUMMARY

An exceptionally organized and enthusiast web developer with an experience of over 2 years in the industry and on online platforms like fiver, Upwork and freelancers.

SKILLS

- HTML CSS
- JAVASCRIPT
- REACT
- NODE
- EXPRESS

EXPERIENCE

WEB DEVELOPER

I had worked in digital solutions (a non-registered company) as a web developer.
Except this I had also worked on fiver, Upwork and freelancer.

CONTENT WRITING • MODERN WORLD • 20-DEC-2019 – 1-JAN-2021

I joined Modern World as a content writer and worked for almost two years. I lead a team of 10 people in which we worked on different projects in the company and online.

EDUCATION

BSCS • 20-NOV-2021 • NUST, PAKISTAN

I am pursuing my degree in BSCS in NUST and currently I am in third semester with a CGPA of 3.4.

WEB DEVELOPER • 16-SEP-2021 • UDMY

I had done a course of web developer from Udemy also.

VOLUNTEER EXPERIENCE OR LEADERSHIP

I had design a front end of two to three projects in which I applied all my skills a volunteer.

I am now full fledged REACT Js developer who can develop any website in react and also had knowledge of backend (Node) and can collaborate easily from Github.
